## LETTER FROM THE VOLUNTEERS

---

As we step into the month of August, we wanted to reach out to you, our cherished community, with a few words of warmth, appreciation, and encouragement.

The summer season is in full swing, bringing both its joys and challenges. In many parts of our region, the threat of forest fires looms large. We want to emphasize the importance of staying informed and taking necessary precautions to keep yourselves, your loved ones, and your surroundings safe. Please heed the guidelines provided by local authorities, and let's collectively contribute to minimizing the risks associated with this natural occurrence.

In times like these, we are reminded of the incredible dedication and courage shown by the fire and rescue professionals who work tirelessly to protect our communities and natural landscapes. To these brave men and women, we offer our heartfelt gratitude. Your unwavering commitment and sacrifices do not go unnoticed, and we stand with you in admiration and support.

On a different note, we want to express our sincere thanks to all those who have contributed as guest writers to The Valley Voice. Your words have added depth and diversity to our publication, and we are immensely grateful for the passion and creativity you bring to the table.

Equally important, we extend our gratitude to our readers - yes, that's you! Your enthusiasm, feedback, and engagement are what keep the wheels turning here at The Valley Voice. It's your hunger for knowledge, your appreciation for artistry, and your commitment to community that drive us to continuously improve and deliver quality content.

As we move forward, we would like to extend an invitation to all aspiring writers, storytellers, and opinion sharers out there. Your voices matter, and we want to provide you with a platform to be heard. If you have a story itching to be told or an idea eager to be explored, we encourage you to submit your work. Your contribution could be the next captivating piece that enriches our magazine.

The submission deadline for the upcoming edition is just around the corner - September 5, 2023. So, take this opportunity to let your creativity flow and send in your articles and editorials. We can't wait to read what you have to share!

Thank you for being a part of The Valley Voice family. Your support is the heartbeat of our publication.

Warmest regards,

The Valley Voices Volunteers

# THE ORANGE SUN

Through smokey summers and resilient souls, we delve into Canada's blaze; we witness two perspectives, unravelling the mystery of wildfires and pondering the intricate possibilities behind these natural phenomena.

Amidst Canada's picturesque landscapes and lush forests lies a tale that transcends the ordinary - a story of whispered secrets and sinister motives. Wildfires, powerful forces of nature, have long captivated the human imagination. However, as the crimson sky bears witness to yet another blaze, questions arise: Could there be more to these infernos than meets the eye? Is there a hidden hand orchestrating a grand scheme, and why does skepticism surround the notion?

## **Beyond Nature's Wrath: Unearthing a Sinister Plan**

A darker scheme emerges as wildfires rage, engulfing vast stretches of Canada's soil. Whispers abound, hinting at a conspiracy that transcends the realm of chance. While the pundits scoff and the

skeptics jeer, some remain steadfast in pursuing the truth. Like the smoke that clouds the sky, the evidence is thick and smouldering, raising doubts and igniting curiosity.

## **The Duality of Wildfires: A Shifting Narrative**

Throughout history, wildfires have been attributed to natural causes like lightning strikes or careless human behaviour. However, in recent times, a paradigm shift has occurred. People are starting to wonder if these devastating blazes result from a hidden hand manipulating the forces of nature for a sinister purpose. The idea challenges conventional beliefs and forces us to reconsider our assumptions about the origin of wildfires.

### Seeking Ignorance and Possibilities

Uncovering the truth can be a daunting task, especially when it goes against the prevailing narrative. Some individuals prefer to remain ignorant, dismissing any alternative explanations as mere conspiracy theories. Yet, the enigma of wildfires calls for a more open-minded approach. The evidence beckons us to explore the possibilities, even if they challenge our preconceived notions.

### The Power of Skepticism: Unmasking the Veiled Truth

Skepticism, when wielded constructively, can be a powerful tool. It prompts us to ask probing questions and investigate beyond the surface. Those who dare to challenge the status quo and dig deeper may find themselves on the cusp of a revelation that could reshape our understanding of wildfires forever.

### In Search of Motives: The Sinister Chance

The heart of the mystery lies in understanding the motives behind the alleged manipulation of wildfires. Who stands to gain from such chaos and destruction? What twisted tales lie hidden within the embers? Unravelling these motives requires courage and persistence, but the answers may reveal a haunting reality.

### A Symphony of Voices: The Quest for Truth

While some may dismiss the claims of a hidden hand, some continue to question, probe, and seek the truth. Like whispers through the trees, their voices carry the hope of unravelling the mystery. In the face of skepticism and doubt, they persevere, driven to shed light on the darkness that clouds our understanding.

### Embracing Uncertainty: Forever Pondering

Pursuing truth is often riddled with uncertainty, but that should not deter us. As we ponder the possibilities, we must embrace the unknown, for therein lies the potential for growth and enlightenment. Curiosity fuels our journey like flickering flames, propelling us toward a future where the truth may ultimately prevail.

### Conclusion: Where Truth and Imagination Converge

As the tale of Canada's wildfires continues to unfurl, we are reminded of the power of storytelling and the potential hidden within the shadows. The enigma challenges us to question the world, consider alternative explanations, and remain open to possibilities beyond the conventional narrative. In the pursuit of truth, we may find answers and the courage to confront the unknown and venture into uncharted territories. So, the fires burn, and in their wake, a symphony of voices shall rise, forever pondering the possibilities that await their quest.

If the devil tells you something is too fearful to look at, look at it. If he says something is too terrible to hear, hear it. If you think some truth unbearable, bear it.

Gilbert K. Chesterton (1874 - 1936)

## COME EXPERIENCE THE FARM!

# The Elusive Quest for Affordable Rentals:

## INVERMERE AND RADIUM, BC

Nestled amid the stunning landscapes of the Canadian Rockies, Invermere and Radium, BC, attract residents and tourists alike with their natural beauty and tranquil ambiance. However, behind this idyllic facade lies a pressing issue that plagues many hopeful inhabitants - the difficulty of finding an affordable place to rent. As these picturesque towns continue to grow in popularity, the soaring demand for housing has led to a challenging housing market. In this article, we explore the reasons behind the affordability crisis and the impact it has on residents and prospective renters.

### A Booming Demand in Paradise

Invermere and Radium, BC, have emerged as desirable destinations for those seeking to escape the hustle and bustle of urban life. Surrounded by stunning lakes, majestic mountains, and an abundance of outdoor activities, these towns offer a unique lifestyle that appeals to both retirees and young families.

The influx of tourists and seasonal residents has contributed to a thriving

tourism industry, but it has also intensified the demand for rental properties. As more people discover the allure of these scenic locations, the available rental inventory struggles to keep up with the growing demand, causing prices to rise substantially.

### Limited Rental Inventory

The scarcity of rental properties in Invermere and Radium can be attributed to various factors. First, a significant portion of the housing stock is occupied by seasonal and vacation homeowners who use their properties sporadically. This reduces the number of available rentals for long-term residents, contributing to the tight rental market.

Furthermore, the towns' small size and zoning regulations limit the construction of new rental properties, exacerbating the housing shortage. As a result, those in search of affordable rentals often find themselves competing with numerous applicants for a limited number of available units.

## The Ripple Effect on Residents

The death of affordable rentals has far-reaching consequences for residents in Invermere and Radium. For young professionals and families, the dream of settling in these charming communities may be stifled due to unaffordable housing options. Even for those who have called these towns home for years, the rising cost of rent can force difficult choices between staying in their cherished community or relocating to more affordable regions.

Additionally, the housing affordability crisis may impact the local workforce. Without affordable rental options, attracting and retaining essential workers such as teachers, healthcare professionals, and service industry employees becomes a challenge, potentially affecting the quality of life for residents.

## Addressing the Challenge

Addressing the affordability crisis in Invermere and Radium requires a multifaceted approach. Local governments can explore zoning changes and incentives to encourage the construction of more rental properties. Collaborations between

public and private sectors could lead to the creation of affordable housing projects that cater to the needs of the community.

Moreover, community engagement and advocacy play a vital role in shedding light on this issue. Residents can unite to raise awareness and advocate for policies that prioritize affordable housing, thus encouraging local leaders to take meaningful action.

Invermere and Radium, BC, are undoubtedly stunning destinations that embody the allure of mountain living. However, the difficulty of finding affordable rental properties casts a shadow on the dreams of many aspiring residents. As the demand for housing continues to rise, the local community must come together to find innovative solutions to ensure that these cherished towns remain accessible and welcoming to all who seek to call them home. Only by addressing the housing affordability challenge collectively can we preserve the essence of Invermere and Radium as not just picturesque vacation spots, but also thriving communities where everyone can build their lives.

## COCKTAILS INSPIRED BY JACKIE CHAN MOVIES

Get ready to shake, stir, and kick back with these cocktails inspired by the action-packed world of Jackie Chan movies. Each drink captures the spirit and essence of some of his iconic films, combining exciting flavors and a touch of martial arts flair. Enjoy these cocktails while watching your favorite Jackie Chan flicks or as a tribute to the legendary martial arts master himself.

### DRUNKEN MASTER MOJITO

#### Ingredients

1. 2 oz white rum
2. 1 oz fresh lime juice
3. 1/2 oz simple syrup
4. 8-10 fresh mint leaves
5. Crushed ice
6. Club soda
7. Lime wheel and mint sprig for garnish

#### Instructions

1. In a cocktail shaker, muddle the mint leaves with lime juice and simple syrup.
2. Add the white rum and a scoop of crushed ice. Shake well.
3. Strain the mixture into a glass filled with ice.
4. Top up with club soda and gently stir.
5. Garnish with a lime wheel and a sprig of fresh mint.
6. The "Drunken Master Mojito" pays homage to Jackie Chan's iconic role as the Drunken Master, showcasing his exceptional martial arts skills while blending humor with action.

## PROJECT A PUNCH

### Ingredients

1. 1 1/2 oz dark rum
2. 1 oz pineapple juice
3. 1/2 oz lime juice
4. 1/2 oz grenadine
5. Pineapple slice and maraschino cherry for garnish

### Instructions

1. Fill a cocktail shaker with ice.
2. Add the dark rum, pineapple juice, lime juice, and grenadine.
3. Shake well until chilled.
4. Strain into a rocks glass filled with ice.
5. Garnish with a pineapple slice and a maraschino cherry.
6. The "Project A Punch" cocktail is inspired by Jackie Chan's hit movie "Project A," blending the flavors of the tropics with the thrilling excitement of a high-seas action comedy.

## RUMBLE IN THE JUNGLE MARGARITA

### Ingredients

1. 1 1/2 oz tequila
2. 1 oz triple sec
3. 1 oz fresh lime juice
4. 1/2 oz honey
5. Ice
6. Lime wedge and salt for garnish

### Instructions

1. Rim a margarita glass with salt and set aside.
2. In a cocktail shaker, combine tequila, triple sec, lime juice, and honey.
3. Add ice to the shaker and shake until well-chilled.
4. Strain the mixture into the prepared margarita glass filled with ice.
5. Garnish with a lime wedge.
6. The "Rumble in the Jungle Margarita" pays tribute to Jackie Chan's daring stunts and thrilling adventures in the jungle, making it a perfect drink to toast to his incredible action-packed movies.

# The Beer Made here!

## ARROWHEAD BREWING COMPANY - CRAFTING EXCELLENCE IN INVERMERE, BC

Nestled amidst the breathtaking beauty of Invermere, British Columbia, Arrowhead Brewing Company stands tall as a beacon of craftsmanship and innovation in the world of craft beer. Founded by a group of passionate beer enthusiasts, this local gem has quickly become a favorite destination for both locals and tourists alike. In this feature, we dive into the history, the brewing process, and the unique offerings that make Arrowhead Brewing Company a must-visit establishment.

### **A Journey of Passion and Perseverance**

Arrowhead Brewing Company's story is one of passion and perseverance. What began as a dream shared by a small group of friends soon transformed into a thriving reality. Inspired by the natural beauty surrounding them, they set out to create beers that captured the essence of the region and shared its spirit with the world.

### **Crafting Excellence - The Brewing Process**

Arrowhead Brewing Company takes pride in crafting beers of the highest quality. The brewing process begins

with locally sourced, premium ingredients carefully selected to create distinct flavors that cater to a wide range of palates. The dedicated team of brewers works tirelessly to ensure that each batch receives the attention it deserves, resulting in a portfolio of finely crafted ales and lagers.

### **An Array of Unique Offerings**

Arrowhead Brewing Company boasts an impressive lineup of beers that cater to all tastes and preferences. From crisp and refreshing lagers perfect for a hot summer's day to robust and flavorful ales for the colder months, there's something to satisfy every beer lover's cravings.

Their flagship beer, the "Arrowhead Amber Ale," has become a local favorite, with its balanced malt profile and hints of caramel and toffee. For those seeking a hop-forward experience, the "Mountain IPA" offers a delightful blend of pine and citrus notes, leaving a lasting impression on the palate. And for those looking for a taste of Invermere's fruit-laden orchards, the "Valley Peach Wheat" delivers a refreshing burst of peach sweetness.

## A Community Hub

Beyond crafting exceptional brews, Arrowhead Brewing Company has become a hub for the local community. The brewery's warm and inviting atmosphere, coupled with friendly staff, ensures that every visit is an experience to cherish. Whether it's catching up with friends over a flight of beers, participating in brewery events, or simply enjoying the stunning views from the taproom, Arrowhead Brewing Company has woven itself into the fabric of Invermere's social life.

### **Review: Arrowhead Brewing Company - Where Craft Meets Community**

Nestled in the heart of Invermere, Arrowhead Brewing Company shines as a standout brewery that embodies the true spirit of craft beer. The passion, dedication, and attention to detail are evident in every sip, making their brews an absolute delight for the senses.

The brewery's ability to balance innovation with tradition is impressive, offering a diverse selection that caters to seasoned beer enthusiasts and newcomers alike. From classic styles that stand the test of time to

adventurous new creations, Arrowhead Brewing Company leaves no taste bud unsatisfied.

The welcoming taproom and scenic views contribute to an overall memorable experience, turning each visit into an opportunity for camaraderie and community bonding. The brewery's commitment to sustainability and sourcing local ingredients further cements its position as a responsible and respected member of the Invermere community.

Whether you're a craft beer aficionado or someone looking to explore the world of microbrews, Arrowhead Brewing Company should be at the top of your list when visiting Invermere, BC. An oasis of flavor, warmth, and friendship, Arrowhead Brewing Company leaves a lasting impression, inviting visitors to raise their glasses in celebration of craft and community.

## RADIUM BREWING - CRAFTING LIQUID TREASURES IN RADIUM HOT SPRINGS, BC

Tucked away in the picturesque village of Radium Hot Springs, British Columbia, Radium Brewing stands as a beacon of creativity and craftsmanship in the world of craft brewing. Born out of a deep love for beer and the breathtaking beauty of the surrounding Rocky Mountains, this local gem has quickly become a beloved destination for locals and tourists alike. A Journey of Passion and Artistry

Radium Brewing's journey began with a group of friends whose shared passion for brewing brought them together. The founders, all deeply connected to the rugged wilderness that surrounds Radium Hot Springs, sought to craft beers that embodied the essence of their beloved region. Fuelled by their creative spirits and a desire to create liquid treasures, they transformed their dream into reality with Radium Brewing.

### **Crafting Liquid Treasures - The Brewing Philosophy**

At Radium Brewing, the focus is on crafting beers of exceptional quality and distinct character. Each batch is brewed with precision and attention to detail, with an unwavering commitment to using only the finest locally sourced ingredients. From hops harvested from nearby fields to

pristine Rocky Mountain water, every element is carefully selected to ensure that the beers truly reflect the natural wonders that surround the brewery.

The team of brewers at Radium Brewing tirelessly experiments with flavors and styles, pushing the boundaries of traditional brewing while staying true to the core values of craftsmanship and authenticity. The result is a diverse lineup of beers that caters to a wide range of tastes and preferences.

### **An Abundance of Unique Offerings**

Radium Brewing proudly boasts an eclectic selection of brews that captivate the senses. From their signature "Radium Red Ale," which exudes rich maltiness with subtle caramel notes, to the refreshing "Mountain Hike Hazy IPA," bursting with juicy tropical flavors, every sip is an adventure in itself.

For those looking to explore unique taste profiles, the "Hot Springs Gose" offers a delightful blend of tartness and salinity, while the "Bighorn Brown Ale" enchants with its smooth roasted malt character. With such a diverse range of brews, Radium Brewing ensures that there's something for every beer lover to cherish.

### **A Hub of Community and Connection**

Beyond its remarkable brews, Radium Brewing has become a gathering place for locals and visitors alike. The brewery's inviting ambiance, friendly staff, and stunning mountain vistas make it an ideal spot to unwind and connect with others. Whether it's sharing stories with newfound friends at the bar or enjoying live entertainment in the vibrant atmosphere, Radium Brewing fosters a sense of belonging that resonates with every guest.

### **Review: Radium Brewing - A Liquid Wonderland in the Rockies**

Radium Brewing stands tall as a testament to the artistry and dedication of its founders. The passion for brewing excellence shines through in each carefully crafted beer, transporting visitors on a journey of flavors that evoke the splendor of the Rockies.

The brewery's commitment to local ingredients and innovative brewing techniques results in a diverse and impressive array of brews. From classic styles to inventive concoctions, Radium Brewing takes its guests on an unforgettable tasting adventure.

Beyond the brews, Radium Brewing's warm and welcoming environment fosters a sense of community that leaves a lasting impression. It's not just a brewery; it's a space where friendships are formed, and connections are forged over shared passions and love for craft beer.

For beer enthusiasts seeking an authentic craft beer experience surrounded by the natural beauty of the Rockies, Radium Brewing is a must-visit destination. Raise your glass to the liquid treasures of Radium Hot Springs and savor the spirit of creativity and camaraderie that flows through every pint at Radium Brewing.

# VENUS AND ADONIS (1593)

William Shakespeare

Even as the sun with purple-colour'd face  
Had ta'en his last leave of the weeping morn,  
Rose-cheek'd Adonis tried him to the chase;  
Hunting he lov'd, but love he laugh'd to scorn;  
Sick-thoughted Venus makes amain unto him,  
And like a bold-fac'd suitor 'gins to woo him.

'Thrice fairer than myself,' thus she began,  
'The field's chief flower, sweet above compare,  
Stain to all nymphs, more lovely than a man,  
More white and red than doves or roses are;  
Nature that made thee, with herself at strife,  
Saith that the world hath ending with thy life.

'Vouchsafe, thou wonder, to alight thy steed,  
And rein his proud head to the saddle-bow;  
If thou wilt deign this favour, for thy need  
A thousand honey secrets shalt thou know:  
Here come and sit, where never serpent hisses;  
And being set, I'll smother thee with kisses:

'And yet not cloy thy lips with loath'd satiety,  
But rather famish them amid their plenty,  
Making them red and pale with fresh variety;  
Ten kisses short as one, one long as twenty:  
A summer's day will seem an hour but short,  
Being wasted in such time-beguiling sport.'

# SEVEN AGES OF MAN - ALL THE WORLD'S A STAGE (1599)

William Shakespeare

All the world's a stage,  
And all the men and women merely players;  
They have their exits and their entrances;  
And one man in his time plays many parts,  
His acts being seven ages. At first the infant,  
Mewling and puking in the nurse's arms;  
And then the whining school-boy, with his satchel  
And shining morning face, creeping like snail  
Unwillingly to school. And then the lover,  
Sighing like furnace, with a woeful ballad  
Made to his mistress' eyebrow. Then a soldier,  
Full of strange oaths, and bearded like the pard,  
Jealous in honour, sudden and quick in quarrel,  
Seeking the bubble reputation  
Even in the cannon's mouth. And then the justice,  
In fair round belly with good capon lin'd,  
With eyes severe and beard of formal cut,  
Full of wise saws and modern instances;  
And so he plays his part. The sixth age shifts  
Into the lean and slipper'd pantaloon,  
With spectacles on nose and pouch on side;  
His youthful hose, well sav'd, a world too wide  
For his shrunk shank; and his big manly voice,  
Turning again toward childish treble, pipes  
And whistles in his sound. Last scene of all,  
That ends this strange eventful history,  
Is second childishness and mere oblivion;  
Sans teeth, sans eyes, sans taste, sans everything.

# Gamer's Corner

## Exploring the Magical World of Pokémon Video Games

Since its debut in 1996, Pokémon has captured the hearts of gamers and enthusiasts worldwide. With an incredible journey spanning over two decades, the Pokémon video game franchise has evolved from its humble beginnings to become a global gaming phenomenon. In this feature, we dive into the latest installments, Pokémon Violet and Pokémon Scarlet, while also taking a nostalgic trip down memory lane with a comprehensive timeline of all Pokémon games ever made.

## POKÉMON VIOLET AND POKÉMON SCARLET: THE LATEST GEMS

### 1. Pokémon Violet: A Mystical Adventure

Released in 2022, Pokémon Violet brings players on a mystical journey through the enchanted region of Lumina. The game introduces new Pokémon species, captivating landscapes, and a diverse cast of characters. Embracing its magical theme, players can explore ancient ruins, encounter mysterious Legendary Pokémon, and uncover long-lost secrets that lie hidden within the Lumina region.

In Pokémon Violet, the traditional gameplay mechanics are elevated with stunning graphics and seamless integration of Augmented Reality (AR) technology. Trainers can now immerse themselves in the world of Pokémon like never before, as creatures come to life in the real environment using AR. This groundbreaking feature has received widespread acclaim, as it allows players to experience the thrill of capturing Pokémon in the real world.

### 2. Pokémon Scarlet: A Tale of Heroism

Following the success of Pokémon Violet, fans were delighted to embrace Pokémon Scarlet, which hit the gaming shelves in early 2023. The game takes place in the fiery region of Ignis, where players embark on a heroic journey to become the region's Pokémon Champion. With its vivid landscapes and intense battles, Pokémon Scarlet delivers a gripping narrative of friendship, rivalry, and self-discovery.

One of the most striking features of Pokémon Scarlet is the introduction of a new battle system, the Elemental Clash. Trainers must strategically use their Pokémon's elemental strengths and weaknesses to outsmart opponents, adding a layer of complexity and depth to the battles. Additionally, the game incorporates online multiplayer tournaments and global ranking systems, fostering a competitive and engaging community among players worldwide.

### The Pokémon Video Game Timeline: A Journey Through Time

1. Pokémon Red and Blue (1996): The original Pokémon games launched for the Game Boy, introducing players to the magical world of Pokémon in the Kanto region.
2. Pokémon Gold and Silver (1999): The second generation of Pokémon games, featuring new Pokémon, a day-night cycle, and a new region, Johto.
3. Pokémon Ruby and Sapphire (2002): The third generation introduced the Hoenn region and enhanced graphics on the Game Boy Advance.
4. Pokémon Diamond and Pearl (2006): The fourth generation games on the Nintendo DS introduced online

multiplayer features and the Sinnoh region.

5. Pokémon Black and White (2010): The fifth generation brought new 3D graphics, animated battles, and the Unova region.
6. Pokémon X and Y (2013): The first main series games on the Nintendo 3DS, featuring the Kalos region and new Mega Evolutions.
7. Pokémon Sun and Moon (2016): The seventh generation games set in the Alola region introduced regional variants and a new storytelling approach.
8. Pokémon Sword and Shield (2019): The first mainline Pokémon games on the Nintendo Switch, set in the Galar region, with open-world Wild Areas.

# "Into The Badlands"

## A Martial Arts Epic Like No Other

"Into The Badlands" is a visually stunning and action-packed martial arts television series that aired on Netflix.

Set in a post-apocalyptic world, the show combines breathtaking fight choreography, intricate storytelling, and charismatic characters, making it a must-watch for fans of the action-adventure genre. In this review, we'll take a closer look at the main characters, delve into the three gripping seasons, and explore the reasons behind the show's cancellation.

### Main Characters:

**Sunny (Daniel Wu):** A skilled and feared warrior, Sunny serves as the right-hand man to the ruthless Baron Quinn. However, a life-altering encounter with a young boy named M.K. leads him on a path of redemption. Throughout the series, Sunny's internal struggle between loyalty and his desire for a better life drives the narrative forward.

**The Widow (Emily Beecham):** A cunning and ambitious Baroness, The

Widow is determined to bring down the oppressive system of Barons. Her mastery of martial arts and leadership skills make her a formidable force in the Badlands. The Widow's motivations blur the lines between hero and villain, adding complexity to her character.

**M.K. (Aramis Knight):** A mysterious young boy with deadly powers, M.K. becomes entangled in the world of Barons after escaping a deadly cult. His journey alongside Sunny becomes a central focus of the show, as they both seek to uncover the truth about their pasts.

**Veil (Madeleine Mantock):** A skilled healer and Sunny's love interest, Veil is dedicated to protecting her family. She plays a significant role in shaping the destiny of those around her, and her intelligence and courage make her an essential character in the narrative.

### Summary of Each Season:

Season 1: The first season introduces us to the feudal society of the Badlands, where ruthless Barons hold power and control valuable resources. Sunny's encounter with M.K. sets off a chain of events that forces him to question his loyalty to Baron Quinn. Amidst epic battles and political intrigue, we witness alliances form and betrayals unfold, as each character's motivations become clearer.

Season 2: As alliances shift and new enemies emerge, the Badlands become even more dangerous. Sunny's quest to reunite with Veil and M.K. leads him on a perilous journey, while The Widow seeks to expand her influence. This season is filled with stunning martial arts sequences and unexpected twists that keep viewers at the edge of their seats.

Season 3: The final season takes the show to new heights, exploring the secrets of Azra, a mythical city rumored to hold the key to the Badlands' future. Sunny faces formidable foes while trying to protect those he loves, and The Widow's ambitions reach their peak. With epic battles and emotional reunions, Season 3 brings the storylines to a thrilling conclusion.

### Reasons for Cancellation:

"Into The Badlands" gained a dedicated fanbase and critical acclaim for its martial arts prowess and unique world-building. However, despite its popularity, the show faced challenges that led to its cancellation. One significant factor was the high production costs associated with the elaborate fight choreography and stunning visuals. Additionally, the show's complex narrative and niche genre limited its mainstream appeal, making it difficult to attract a broader audience. Unfortunately, these factors ultimately contributed to the decision to end "Into The Badlands" after its third season, leaving fans yearning for more adventures in the captivating world of the Badlands.

### Conclusion

"Into The Badlands" stands as a testament to the power of breathtaking fight sequences, intricate storytelling, and well-crafted characters. While the show may have ended too soon, it remains a must-watch for fans of martial arts and action-adventure genres. With its unique blend of post-apocalyptic drama and captivating martial arts, "Into The Badlands" has etched its place in the hearts of viewers as a truly unforgettable series.

# Elk Valley Travel Club

PARTNERED WITH EF TOURS

## EDUCATIONAL TRAVEL OPPORTUNITIES

### Youth grade 8-12

Elk Valley Travel Club provides international education travel opportunities for youth to experience travel abroad. Providing experiences that encourage critical thinking, problem solving, teamwork and a new understand of the world around them. We offer Education, Volunteer Service and Adventure tours in over 50 countries around the globe.

Students that participate on our tours are positively impacted and often return home more confident, motivated, leaders and role models in their community.

Our travel partner EF Tours are the world leaders in international education with over 55 years experience and provide exceptional safety and security while traveling abroad.
